Thank You Wendover

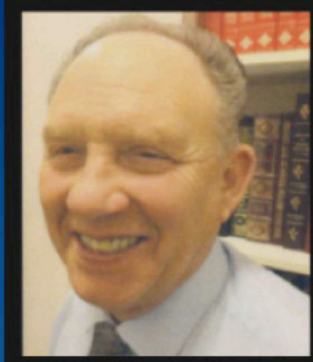

Zoey fund raiser .. Organized by Rosy Dorado . The reason I did this was just to help out a friend we graduated it with in 2005. I myself am a parent and knows what it feels to be in desperate moment in March 28th 2014 my 22 month old Peter Trujillo got a cancerous neuroblastoma tumor removed from above his lung ! And now I felt like had to do something to for this little angel so I put this fund raiser together on Sunday my family and friends sold about 280 tortas donated by Dorados bakery over 200 hamburgers donated by Marcelo Escobedo owner of Salt Flats Cafe and all kinds of goodies doated by my cousins and friends and raised almost \$6,000. I am happy with the turn out and thankful for everyone who donated even just a \$1 my friend Devin and Amy are very happy and thankful.

Friends and Family help us reach our goal! Zoey is a 3 year old cowgirl princess, full of so much life and joy! She has a rare and very aggressive Rhabdoid tumor. Zoey has a long road of facing stem cell transplants, hard-core chemotherapy, radiation, and possibly more surgeries at Children's Primary Hospital. She needs all the help and prayers she can get. All donations will be put towards medical, travel expenses, etc.. So lets all pay it forward and give the Schweitzer family a helping hand! Donations can also be made at Nevada Bank and Trust under the account " Rainbows for Zoey." Thank you for taking the time to stop by!

Tarbell Governor

There for ALL of you,
ALL the time.

The Dreaded, Deadly Social Issues

Progressive views on human relationships seem to be locked in and cannot be challenged, especially by conservative politicians. Not so, says William Tarbell, Republican Candidate for Governor. Forty years of study and analysis prepared Bill to set aside all progressive social issues claims. For discussions debates or presentations contact him.
